

Shared Ministry

Spring Programs

Welcome
to a beautiful Spring Season
in our 2019 Shared Ministry

Because Christ blesses us abundantly, we are able to offer many activities for each and every one of you to grow spiritually and to offer many opportunities to put your faith in action, serving within our congregations, in our communities, within our diocese, and in the world.

You are invited to become an active participant in all of our programs. You are welcome to join them at any time. So, please keep this to read at your leisure and find the program(s) that work best for you and those you love.

We ask that you remember to pray for and thank those who are volunteering their time and talent.

You are invited to share your ideas and concerns with the Bishop's Committee so that every voice is heard and everyone in our Shared Ministry is well served.

“Embracing Forgiveness”

Wednesday evenings in Lent

This Lent, we will be offering a five-session program, ***Embracing Forgiveness***, featuring renowned preacher, spiritual director, and author, Barbara Cawthorne Crafton, in a series of video discussions.

Crafton, an Episcopal priest, in addition to her duties as a parish rector in New York, has served as a chaplain to the maritime community on New York’s waterfront, and was a chaplain at Ground Zero during the recovery effort after the World Trade Center bombing.

Sessions will be held **Wednesday evenings at 6 p.m. in Hobbs Hall at Trinity Church**. A simple soup and bread supper begins the evening. The video, discussion, and worship follow.

Both Congregations are planning yard sales in June. Your help getting the word out and help setting up, breaking down and whatever else may need to be done are always the key to our successes!

Be watching for details in the Shared Ministry Enews, Facebook, and church bulletins.

Scrip Gift Card Fundraising

Scrip is a program where our Shared Ministry members are able to buy gift cards for everyday shopping, as well as gifts, at a discounted rate.

The cards are sold at face value, but our churches buy the cards at a discount. The difference between the price that members pay for the cards, and the price our churches pay for the cards goes directly to back to the ordering church.

Scrip Gift Card Fundraising is an ongoing program within each congregation. Orders from parishioners are sent out at the beginning of each month and the cards usually come back in within a week.

Don't forget to consider using PrestoPay to pay for Scrip gift cards: PrestoPay is the online payment method offered through ShopWithScrip, and pay for your orders with the electronic funds transfer system. It's easy and it's secure. www.ShopWithScrip.com

MINISTRIES AND OUTREACH

Canister Ministries at Trinity Church

Have you ever walked out of Trinity Church, and noticed those random boxes in the narthex? Well there are actually several ministries being offered in a one drop stop. Each one of these is a small and easy way for us to reach out and support our wider Hampton community.

Box Top for Education and Campbell Soup Labels

Here is a simple way to assist the Hampton School District's participation in both the Box Top for Education and Campbell Soup Labels campaigns. There are two containers one the

coffee table under the bulletin board. Each container is where you can place the “Box Top Tabs” and Campbell Soup labels. For inline information on these programs, go to: Box Top Website: <http://www.boxtops4education.com/> Campbell Soup Label Program: <http://www.labelsforeducation.com/>

Hobbs House Food Pantry

Always forgetting to pick up an extra canned good or boxed item for our food pantry? We also offer a donation jar for financial support, which is used to go to the store and purchase items of desperate need. There is also a bucket below the table for donations of canned goods, non-perishable goods. While we appreciate the food that parishioners bring in, many community organizations will start to bless us with their donations. Another need is for health and beauty products.

Pennies for Preschool

Place your loose change that you have to help fund a scholarship at the Village Preschool. The money is used for their enrichment programs.

Soda Can Flip Tabs

As part of our ecumenical outreach, we have teamed up with Sr. Doris of Our Lady of Miraculous Medal, who cashes aluminum flip tabs in to support Betty’s Dream, a quality, low-income housing for mentally alert, and physically handicapped adults, in Portsmouth. Please, pop off the tabs and bring it in on Sunday to Church and place in the tab container. And guess what?? Over the years, some of those lovely people from Betty’s Dream have come to Hobbs House weekly to help with light cleaning.

Cross Roads House Ministry

Christ Church has been actively engaged with this Portsmouth homeless shelter for many years.

Donations of seasonal clothing, shelf stable food, shampoo, deodorant, and shaving cream, may be brought to the church throughout the year

If you don't want to shop, consider writing a check to "Cross Roads House" and in the memo line please write "medications". Medications during the cold and Flu season are in high demand, unfortunately, they never have enough donated.

The Episcopal Men's Group

The Episcopal Men's Group meets every Monday at 7:00 p.m. in the lounge of the Old Salt Restaurant in Hampton. For more information please contact Bob Main.

Little Blessings Child Care Center

Little Blessings has been proudly serving families and their children, infants through age 5, since 1992.

It is recognized as being the first NH child care center to earn Licensed Plus status. We offer age appropriate instruction and play. We also offer family engagement activities such as: Annual Christmas Pageant, York Wild Animal Kingdom Family Day, Parent Open House, Center wide Art Show, Authors Tea, and Fundraising Events.

If you'd like to be involved with our school, please contact Shannon Tremblay at: littleblessingsnh@gmail.com

Music Ministry

The combined Music Ministry of Christ and Trinity Church is alive and well in our aim to bring joy through song. We lead the congregations in hymns and service music, as well as singing anthems throughout the year and performing at choral concerts seasonally.

The combined choir meets weekly on Thursday evenings and alternates between Trinity and Christ Church. We invite you to join us in reaching out to others through song. Please contact Brendan Battey at brbattey@gmail.com.

Nursing Home Ministries

The nursing home ministry is a vital part of Trinity and Christ Churches' Shared Ministry Outreach to the Seacoast area communities. This ministry is an extremely important mission that reaches out to the elderly in our communities. Many of

the residents have little to no visitors for various reasons: no family in the area, outlived their immediate family, or family members busy with their own lives. For these reasons, our nursing home teams welcome each resident as extension of our Shared Ministry family. Our teams get great joy and satisfaction being with the nursing home residents and engaging with them in music, prayers, Bible readings and stories from our lives and, more importantly, their lives. We see how alive the resident become when singing those old favorites or listening to Bible stories they heard when they were children. Their eyes light up! Please, come and join one of the teams you see below in the description of each nursing home we visit.

Operation Blessing

This ecumenical Christian ministry has been in operation for many years. Christ Church members take up a monthly collection of food for this Portsmouth food pantry. All are welcome to help!

Prayer Ministry

We receive requests from many, here at home and across the country, who are not church members, but either know someone who is or has heard that we will pray for anyone that asks!

It is a privilege to be a part of such an important ministry! We love facilitating prayer for one another. It is no small thing to be asked for our prayers.

Please know that this ministry is available to all and you are all invited to become a part of it. Just send us your email: Trinityhamptonnews13@gmail.com.

In His service, Anne Newell and Jane Kirk

Soup Kitchens

The Trinity team has been serving meals in the **St. Vincent's Kitchen's** temporary home in the Hampton Chamber of Commerce office at Hampton Beach. We will be finished in early May.

If you are interested in being an active in this part of Trinity's Outreach Ministry, please contact Ginnie-Lee McCaddin. vlmccaddin@comcast.net.

Meanwhile, please pray for this endeavor: that God will find a permanent place for this ministry; that we, who serve, will be blessed with all we need to do the work; and for all those who depend on it for food.

Our Christ Church **Salvation Army Soup Kitchen** in Portsmouth is open every evening of the week, year round. Meals are served from 5:00 to 6:00 PM. Our team serves on the first Saturday of the month.

We are looking for a new Coordinator for our Christ Church team. If you would like to help our team, please contact Susan Sinnott Ott, shsinnott@gmail.com. If you would like to be a sub, or be part of a new team, please call the Salvation Army Office and speak with Laurie O'Brien, 603-436-2606.

Safe Church

As responsible parishes in the Diocese of New Hampshire, we are compliant with Safe Church policies. All who work with children, shut ins, or any vulnerable member of our community have been trained in Safe Church practices. To be Safe Church trained involves watching videos and answering questions online and then taking a 3 hour course lead by a member of the Diocese of New Hampshire. The online work can be done anytime of the year, and the courses are offered at various times and places throughout

the year. As members of the Episcopal Church in New Hampshire, we are happy to be a Safe Church to worship, learn, and get closer to God in.

Safe Church Minister of Trinity Church: Sherry Kellett

Seacoast Convocation

After a major rethinking of its mission and purpose in 2017, Seacoast Convocation began revitalizing its mission in 2018, sponsoring events to nourish our spiritual journey and help our constituent congregations deepen the quality of the ministries they offer their communities.

After struggling in recent years to hold monthly meetings, whether or not there was significant agenda to cover, we decided that, beginning this year, we would hold meetings only when there is a focus to them: a speaker or topic of more than just legislative interest. While we would still have the pre-Convention meetings in the fall, we won't have meetings just because it's time to have a meeting.

We express our gratitude to all who have joined us in committing to the revitalization of this ministry. We look forward to a productive program year.

Seacoast Convocation items are listed on the calendar on pages 3 and 4 in this booklet.

Please keep our Delegates and Alternates, and all who attend our Diocesan Convention, in your prayers.

Sunday School at Christ Church

We welcome adults from either church to come and share their stories or teach a lesson throughout the year. We continue to practice safe church procedures and welcome children ages 4 and up.

If you have any questions, please contact Lynda Swartz, at lynds@comcast.net.

Vicar's Discretionary Fund

The Vicar's Discretionary Fund exists to provide discreet emergency assistance to parishioners and people in the community. While some direct assistance is provided for such things as rental assistance or utility bills, most of the aid comes in the form of gas or food vouchers or gift certificates.

I am grateful for the support parishioners have provided to the discretionary fund. I welcome your continued contributions.

Your generous gifts go a long way toward helping people in need, some within our Shared Ministry, and a great many outside our congregations. Some of these benefits help folks get their lives restarted, others prevent a situation from cascading into deeper troubles. All your dollars are used for assistance and are not considered general income.

The Rev. David Robinson, Jr.
Vicar

The Village Preschool

The Village Preschool is a non-profit Preschool that provides a safe, nurturing, comprehensive preschool program dedicated to ensuring kindergarten readiness for children from Hampton and surrounding towns.

The Village Preschool was established in 1994 through the collaborative efforts of Center School's administration, teachers and PTA. The Program was designed to ensure kindergarten readiness, and to facilitate a smooth transition for children from preschool to kindergarten.

Village Preschool has a wonderful location in a safe cheerful facility in the lower level of Trinity Church. We are proud to offer:

- Low 5:1 student-to-teacher ratio
- Experienced teachers who have been with the school for over 10 years!
- Comprehensive kindergarten preparation including math, language arts, pre-reading, social skills, sharing fine and gross motor skills

We are always looking for supporters, donors, and volunteers for selected projects.

If you would like to get involved, please contact Ginny Bridle at: VrgnTeach@aol.com or call 929-7349.

In Hobbs House

Dress4SchoolSuccess

This program was developed in 2011 by two Hampton Girl Scouts as a community service project to earn their silver award for Girl Scout Cadets. Trinity Church's via Hobbs House support began in 2012.

Parents and students can come "shop" for clothing. The best part is that it is FREE. Through community donations our non-profit organization provides this service for those in need.

We hope that the pantry volunteers will take any parent upstairs to adopt clothing should the need arise. If you would like to help out, please contact Jan Merrow at Dress4schoolsucces@comcast.net

End 68 Hours of Hunger

This non-profit program provides food to those children who receive free or reduced price food during the week at school to help feed them over the weekend. It is coordinated by Margaret Shoenberger and Michele Peckham of North Hampton.

Trinity's liaisons are Phoebe Bischoff and Nita Niemczyk. In Hampton, this is a multi-group effort coordinated by the End 68 workers, the SAU 90 School Social Worker, and the Hampton Community Coalition. There are scores of volunteers that work behind the scenes as well!

Through this ministry, Trinity donates ingredients for homemade pizza, turkeys, for Thanksgiving, and regular monthly donations to send healthy meals and snacks to those needy families for the 68 hours between school days. They pick up on Fridays at Hobbs House between 11am and 4 pm. If you would like to get involved, please contact Phoebe Bischoff. phoebe@comcast.net

The Hampton Community Coalition

The Hampton Community Coalition (HCC) is an all-volunteer nonprofit that works to improve the health and well-being of Hampton area children and families, particularly those caught in difficult life transitions or without a permanent home. Because HCC operates entirely with volunteer energy, EVERY DOLLAR donated goes directly to Hampton families in need.

We are grateful for our partnership with Trinity Church. Our Help Center, located in Hobbs House, provides limited financial assistance, fuel assistance, Quarterly Distribution of non food products, Food Pantry, Food For Thought program, Kids' Kupboard (school and birthday items), and we always give referral information to help meet the needs of those who need it. We collaborate with many agencies, churches, businesses and individuals to help our Hampton neighbors.

Hobbs House Food Pantry

Our Pantry is open every Saturday, from 10 AM-Noon. Parishioners from both congregations donate food as well as volunteer their time to serve those who come to us in need of food.

The Hampton Community Coalition staffs the pantry on Tuesdays, 10a.m.-Noon, and Fridays 11a.m.-1p.m. During the school year.

All are welcome to join us in this ministry and put your faith in action through serving God's hungry children. Please contact Pantry Coordinator, Hope Murray, for more information at: hope.w.murray@gmail.com

Seacoast Youth Hygiene Project

The Seacoast Youth-Hygiene Project is based out of Seabrook's Seacoast Youth Services. It provides hygiene products, packed in backpacks to nearly 100 homeless and youth-on-their-own seacoast high schoolers.

Each donor has been asked to commit to a product. There is a collection in May, then again in August. Rather than commit to one item, the coordinator asked Trinity to be her "go to" resource. We provided whatever is needed, when other organizations are unable to follow through, or when need for a particular product is great.

We provide hundreds hygiene items from our food pantry and purchased other items. Trinity families have also donated backpacks and packed them with purchased hygiene products, as well as gift cards for our teenagers in need to brighten their holidays.

Word has gotten out that we are a collection point ! We are now receiving donations from the Hampton Rotary, Hampton Rec. Dept. Yoga Class, Hampton Community Coalition, as well as members of the community at large!

These ministries would not be so successful without the collaboration of the food pantry and your continued support.

Thank you so much.
Phoebe Bischoff

Transportation Assistance for Seacoast Citizens "TASC"

TASC's mission is to help people maintain their health, independence and dignity by mobilizing volunteer drivers to provide rides for eligible residents in the towns of Exeter, Greenland, Hampton, Hampton Falls, North Hampton, Rye, Seabrook, Stratham, and Kensington.

Because of a lack of public transit or affordable transportation, too many of our neighbors are trapped in their homes, unable to access services - especially much needed and often life-sustaining medical appointments. They become isolated, have little or no socialization, their quality of life decreases while neglect increases.

Volunteers are needed as the aging population is growing. Volunteering for TASC is EASY! Drivers choose the rides that fit their schedule. You drive as many times a month as you like. All you need is the empathy to help community members, a valid driver's license, a registered, inspected and insured vehicle, and a favorable driving record. You may also want to become an accessible van driver for friends who are wheelchair bound.

We are deeply grateful to Trinity Church to be located in the Hobbs House Community Center. Contact Carol Gulla, 926-9026, to become a volunteer.

And Finally...

Shared Ministry E-News

Each Thursday, the Shared Ministry issues an electronic newsletter, which is emailed to all who request it and copies of which are snail-mailed to those in our congregations without email addresses. We welcome submissions that have a connection to the ministry of our two churches. Please email submissions to porthamp@gmail.com or mail to the Shared Ministry office at Trinity Church, 200 High St, Hampton, NH 03842. NOTE: The deadline for receiving submissions is Wednesday at noon.

Our church websites and Facebook pages

Each of our churches maintain websites and Facebook pages to keep our members and friends informed about our communities. The websites are maintained out of the church office and are updated each Monday morning; the Facebook pages are administered by Nicholas Bridle (nicholas_bridle@me.com) and are updated Thursdays.
